## REQUIREMENTS FOR PROVISIONAL STATUS

If you are admitted to Boise State with Provisional Status, you are required to complete 14 credits of specific course work within three semesters. The 14 credits must include one English Composition (ENGL 101 or 102), UF 100 Intellectual Foundations, and 2 courses representing 2 different DL Disciplinary Lens Courses – DLL, DLM, DLN, DLS, DLV. You must earn a grade of “C-” or better in each of these classes.

Below is a list of Disciplinary Lens courses you can choose from to fulfill the Provisional requirements. Please refer to the Boise State Catalog to find the current list of available Disciplinary Lens courses and the number of credits for each class. Students who have not completed the requirements by the end of their third semester will be changed to nondegree-seeking status. Nondegree-seeking students are limited to a maximum of seven credits or two classes each semester, and they are not eligible for financial aid. Please discuss your plan for meeting provisional requirements with your academic advisor.
